FROM

Brown Brothers Co.,

CONTINENTAL NURSERIES,

ROCHESTER, N. Y.

FEB. 15, 1906

Spring, 1906.

**SURPLUS STOCK
IN CELLAR.**

INTRODUCERS OF
THE BABY RAMBLER.

BABY RAMBLER—ALWAYS IN BLOOM.

TO THE TRADE

We offer the following strictly first-class stock for spring use. Stock is carefully graded, is clean and healthy and in our own cellar. Early spring shipment if desired.

Shipments made promptly on request and we will do our best to please you.

Terms of Payment

June 1st, to known parties. Cash with order or satisfactory references from unknown correspondents.

No. 72.

STATE OF NEW YORK
DEPARTMENT OF AGRICULTURE }

Certificate of Inspection of Nursery Stock—This is to certify that the stock in the Nursery of BROWN BROTHERS COMPANY of ROCHESTER, County of MONROE, State of NEW YORK, was duly examined in compliance with the provisions of Chapter 519 of the Laws of 1902, and it was found to be apparently free in all respects from any contagious or infectious plant disease or diseases or the San Jose scale or other dangerously injurious insect pest or pests. This certificate expires Sept. 1, 1906.

C. A. WEITING,

Commissioner of Agriculture.

50 at hundred rates.

SPECIAL NOTICE—We have in our nursery an unusually large assortment of trees and plants of all ages, from one year old on, and we will be glad to make figures on any requirements not covered by our surplus list

While we exercise the greatest care to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty express or implied, and in case of any error or our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees
